

Ahmad Zameer Nazari

I am currently an undergraduate, pursuing electrical and electronics engineering. I hold diverse interests: a deep awe for science, appreciation of art presented in any form, and keen passion in understanding the electrical foundations underlying our world today. I am an eager learner, with a keen eye for detail and dedicated to continuous improvement. I tend to approach problems analytically, and employ first-principles thinking.

EDUCATION

- 2021 - graduated from high school, **Açık Öğretim Lisesi**, with **GPA 89.22%**
- 2022 - entered the **SAT**, and scored **1460/1600**
- 2022 - student in **Muğla Sıtkı Koçman Üniversitesi**, department of Electrical and Electronics Engineering. As a junior I hold a **CGPA of 3.95/4**.

EXPERIENCE

- Experience tutoring high school students in science subjects, in particular physics and mathematics.
- Collaborated in the production of science videos under the YouTube channel **SciWave**, where recent scientific breakthroughs are presented in an engaging visual medium and simple language.
- Provided graphic design services as a freelancer to **Global Produktion und Handel** and a few other agencies.
- Carried out an internship at the Provincial Directorate of Industry and Technology of Türkiye.

SKILLS

- Adept with **Windows** and the **computer environment**.
- Competent user of **MS Office Suite**: Word, Excel, Powerpoint.
- Advanced skills in **Adobe Creative Cloud Suite**: Adobe Photoshop, Adobe Illustrator, Adobe Animate, Adobe After Effects, Adobe Premiere Pro.
- Confident user of the 3D computer graphics software **Blender**.
- Knowledge in **HTML5, CSS3, JavaScript, Bash, MATLAB, Python** and their core data analysis, simulation and animation libraries: **Matplotlib, Jupyter, Numpy, Pandas, Manim, Tkinter**.
- Experience in **Proteus, KiCAD** and similar digital electrical/electronics simulation softwares.
- Experience in automation using **PLC (Phoenix Contact and Codesys environment)**, its languages **Ladder Logic** and **Structured Text**.

LANGUAGES

- Persian/Dari** - *Native*
- English** - *Advanced*
- Turkish** - *Intermediate*
- Urdu/Hindi** - *Intermediate*
